GLIMPSES OF CHINA AND CHINESE HOMES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Glimpses of China and Chinese Homes Chinese Characteristics. Dr. Smith was for twenty-two years connected with the American Board of Foreign Missions in China. He says: The circumstance that a person has lived twenty-two years in China is no more a guarantee that he is competent to write of the characteristics of the Chinese than the fact that another man has lived for twenty-two years in a silver mine is proof that he is a fit person to compose a treatise on metal lurgy or bi-metalism. This is unquestionably too modest, as will be realized by any one who has read his remarkable analysis of Chinese character, yet it may stand as a warning to those who generalize about the Chinese on slight acquaintance. Whatever conclusions I have come to, superficial as they may be, are curiously borne out by the testimony of others who have spent as many years in the Empire as I have days, and have travelled as many thousand miles in the country as I have single miles. Most of this material appeared first in a series of articles in the American Architect under the title of Journal Sketches in China, and to the publishers of that journal, and to its editor, Mr. William Rotch Ware, I am indebted for the privilege of publishing them in book-form. A number of sketches have been added. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
