iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Cases of Acute and Chronic Diseases Easily Cured is a collection of real life stories of patients who were treated by the author in his clinic during his very busy practice as an Ayurved Doctor and the Psychologist in India and Kenya. This collection of cases speaks volumes for his skill as a doctor and a writer and his unique insights into medical and psychological matters as are reflected in many of his public lectures on Worries , Theory of Karma , Prescription for Happy Marriages , Food as Medicine and Life after Death . For persons who might experience some of the concerns dealt with - especially those of an embarrassing sexual nature such as masturbation, underdeveloped breasts and sterility - and who might be reluctant to discuss their problems openly with a doctor, this book will be of inestimable value and may well reassure them that their problems are by no means unique.
