As he prepares to propose, he knows that his life will change in ways he could never imagine. He has no idea how right he is. At a family gathering, Daniel proposes, and Amy says yes only to watch his world shatter as masked gunmen murder every member of his family in front of him, including his new fiancée. Even though he alone escapes with his life, something else has died in him and something else is born in its place. Now Daniel must decide just how far he will go to avenge his lost family, his lost future, his lost love. In Broken Hill, things are no longer as they seem. The night hides darker secrets than most can imagine. When night drowns the city, hell comes out to play.
