The Gloucestershire Warwickshire Railway

By Malcolm Ranieri

Paperback. Book Condition: New. Not Signed; The aim of this series is to appeal to readers of all ages, perhaps for different reasons. Within the series there will, for example, be tank engines, steam engines, electric trains and multiple units and many more varieties besides! Some of these will be recognised both by young and older readers alike from train sets, model railways and books, while others will be seen for the first time. Other titles in the series are set to cover Buses, Trams, Trolleybuses, Traction Engines and Commercial Vehicles. There will also be occasional volumes on significant events, anniversaries and the like so that over time the series will record 'future nostalgia'. The Gloucestershire Warwickshire Railway runs along a part of the former Great Western Railway's mainline from Birmingham to Cheltenham, via Stratford-upon-Avon. The line commands wonderful views of the sleepy hamlets and villages, as it runs through the beautiful Cotswold countryside. The line was primarily built (1900-1906) to improve through services from Birmingham to Bristol and the West Country. It also carried fruit from the highly productive farming areas both in the Cotswolds and the Vale of Evesham. The Cornishman express, complete with its chocolate and cream...
