

A Teenager s Death (Paperback)

By S R Shanbhag

Partridge India, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Teenager s Death is an argument about the anxiety-driven lifestyle of today s teenagers, written in the form of very personal chronological notes. The notes reflect the thoughts of a teenager through the ages of fifteen to eighteen. Themes of rejection, love, friendship, pain, mystery and naive temptations to explore the world of self-indulgence hide within the hyperbolic meaning of -A Teenager s Death-, which is the fear of losing your social life. Each note contains a liberating truth about the teenage lifestyle and asserts the vital concept of death in our lives.
