

## Tomcat: The Definitive Guide

By Ian F. Darwin

O'Reilly Media. Paperback. Condition: New. This item is printed on demand. 496 pages. It takes a book as versatile as its subject to cover Apache Tomcat, the popular open source Servlet and JSP container and high performance web server. Tomcat: The Definitive Guide is a valuable reference for administrators and webmasters, a useful guide for programmers who want to use Tomcat as their web application server during development or in production, and an excellent introduction for anyone interested in Tomcat. Updated for the latest version of Tomcat, this new edition offers a complete guide to installing, configuring, maintaining and securing this servlet container. In fact, with such a wealth of new information, this is essentially a new book rather than a simple revision. You will find details for using Tomcat on all major platforms, including Windows, Linux, OS X, Solaris, and FreeBSD, along with specifics on Tomcat configuration files, and step-by-step advice for deploying and running web applications. This book offers complete information for: Installation and startup proceduresConfiguring Tomcat-including realms, roles, users, servlet sessions, and JNDI resources including JDBC DataSourcesDeploying web applications-individual servlets and JSP pages, and web application archive filesTuning Tomcat to measure and improve performanceIntegrating Tomcat with Apache...
