Brand New Book ***** Print on Demand *****.The amazing and fascinating adventures of the self-confessed crazy man continue. The tales are laced with humour and much fun. The fantastic travels range from the mountains and crags of the Languedoc in France through the mystical heartland of Brittany and finish in the dusty and chaotic heartland of Mexico. The haunting and ancient temples of Malta and Gozo thrill and excite. Birch s stories range from scary ghost stories, the use of magical symbols and words to little known inner secrets of human blood and bones. These tales are truly transformational, different and mind opening for the sincere seeker of truths.
