

The Happy Hypocrite: (Max Beerbohm Classics Collection)

Filesize: 6.69 MB

Reviews

It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Modesto Mante)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.None, it is said, of all who revelled with the Regent, was half so wicked as Lord George Hell. I will not trouble my little readers with a long recital of his great naughtiness. But it were well they should know that he was greedy, destructive, and disobedient. I am afraid there is no doubt that he often sat up at Carlton House until long after bedtime, playing at games, and that he generally ate and drank far more than was good for him. His fondness for fine clothes was such that he used to dress on week-days quite as gorgeously as good people dress on Sundays. He was thirty-five years old and a great grief to his parents. And the worst of it was that he set such a bad example to others. Never, never did he try to conceal his wrongdoing; so that, in time, every one knew how horrid he was. In fact, I think he was proud of being horrid. Captain Tarleton, in his account of Contemporary Bucks, suggested that his Lordship's great Candour was a virtue and should incline us to forgive some of his abominable faults. But, painful as it is to me to dissent from any opinion expressed by one who is now dead, I hold that Candour is good only when it reveals good actions or good sentiments, and that when it reveals evil, itself is evil, even also.
