## PENTECOST HOAX OR REALITY?

Jw Luman, United States, 2010. Paperback. Book Condition: New. 274 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The phenomenon of Pentecost is one of the most debated issues in the Church world today. The so-called Pentecostals have made it an issue of tongues or supernatural acts of one kind or another. Others have made it an issue of dress, i.e. what kind of clothing should be or should not be worn, mainly by women. The term glossolalia, a combination of two Greek New Testament words meaning to speak and tongues, has been used by many to define Pentecost. Although it is stated in Acts 2:4 and other places that they all spake with other tongues, speaking with tongues in and of itself does not define the fulfillment of the Feast of Pentecost about which we read in the New Testament. In fact, those who define the fulfillment of Pentecost in the manner I have described above should not call themselves Pentecostal at all, for they have missed the very heart of the matter. They have made Pentecost a man made movement rather than a reality of Salvation, which is fulfilled in Christ. In so doing, they have divided, weakened, and robbed the Body of Christ of the true greatness of our Salvation. It is the desire of the author and all who contributed to this work, to set before the reader, whose heart hungers for the Truth, the true richness of Pentecost as fulfilled in Christ. May the Spirit of Pentecost lead and guide all who read with a heart that is turned to know Christ in all of His glorious fullness.
