

An Introduction to the Practice of Commercial Organic Analysis (Classic Reprint) (Paperback)

Filesize: 6.2 MB

Reviews

Extensive guide! Its this kind of great read. It is really simplistic but excitement from the 50 percent of your pdf. I am just quickly will get a pleasure of looking at a composed book.
(Tomas Bins)

AN INTRODUCTION TO THE PRACTICE OF COMMERCIAL ORGANIC ANALYSIS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Introduction to the Practice of Commercial Organic Analysis While the libraries of chemists are replete with manuals and treatises on Inorganic Analysis, and the number of these works is being increased almost monthly, books on Organic Analysis are chiefly conspicuous by their absence; and the unfortunate chemist who requires to make an assay or analysis of a commercial organic product, is driven to seek for various items of information - often contradictory or unreliable - in the pages of one or two very imperfect works, and of a few English and foreign scientific periodicals. It is a lamentable fact, that while our young chemists are taught to execute ultimate organic analyses, and to ring the changes on the everlasting chloro-bromo- and nitro-derivatives of bodies of the aromatic series, the course of instruction in many of our leading laboratories does not include even qualitative tests for such everyday substances as alcohol, chloroform, glycerin, carbolic acid, and quinine. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
