But nothing could have prepared her for the mischievous and downright scary antics that take place once she, her two children, and her cats move into the rundown Victorian home. Disembodied conversation, pounding walls, glowing orbs, and mysterious whispers soon escalate into full-fledged ghostly visits-provoking sheer terror that, over time, transforms into curiosity. Determined to make peace with her spirit guests, she invites renowned clairvoyant Echo Bodine over and learns fascinating details about each of the entities residing there. Wilder's gripping tale provides a compelling glimpse into the otherworldly nature of the lonely spirits, protective forces, phantom pets, and departed loved ones that occupy her remarkable home. Annie Wilder (Minnesota) is a mother and writer. She continues to bravely live in her spooky old house with three cats and numerous ghosts. This is her first book.
