SIMON SCHUSTER AUDIO, 2017. CD-Audio. Condition: New. Abridged edition. Language: English . Brand New. In this authoritative and engrossing full-scale biography, Walter Isaacson, bestselling author of *Einstein* and *Steve Jobs*, shows how the most fascinating of America's founders helped define our national character--available on Encore at a great low price! Benjamin Franklin is the founding father who winks at us, the one who seems made of flesh rather than marble. In a sweeping narrative that follows Franklin's life from Boston to Philadelphia to London and Paris and back, Walter Isaacson chronicles the adventures of the runaway apprentice who became, over the course of his eighty-four-year life, America's best writer, inventor, media baron, scientist, diplomat, and business strategist, as well as one of its most practical and ingenious political leaders. He explores the wit behind *Poor Richard's Almanac* and the wisdom behind the Declaration of Independence, the new nation's alliance with France, the treaty that ended the Revolution, and the compromises that created a near-perfect Constitution. In this colorful and intimate narrative, Isaacson provides the full sweep of Franklin's amazing life, showing how he helped to forge the American national identity and why he has a particular resonance in the twenty-first century.
