START AND SCALING DEVOPS IN THE ENTERPRISE (PAPERBACK)

BookBaby, 2016. Paperback. Condition: New. Language: English . Brand New Book. DevOps is a fundamental shift in how leading edge companies are starting to manage their software and IT work. Businesses need to move more quickly than ever before, and large software organizations are applying these DevOps principles to develop new software faster than anyone previously thought possible. DevOps started in small organizations and in large organizations that had or created architectures that enabled small teams to independently develop, qualify,...

Reviews

Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.

-- **Prof. Jevon Frami**

A fresh e-book with a brand new point of view. It really is packed with knowledge and wisdom. It's been designed in an exceedingly simple way and is particularly simply following. I finished reading this publication through which actually modified me, alter the way i really believe.

-- **Bernhard Russel**

Absolutely essential read through book. it was actually written quite properly and useful. It's been developed in an remarkably basic way and it is only following. I finished reading through this ebook where really changed me, modify the way i believe.
