Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Wander began as an exploration of the human condition. A voyeuristic view into the lives of those around us and more importantly deep into ourselves. Wander is a state of mind. A place we get to as we explore ourselves and the world around us. This collection of short stories is centered around love, relationships and heartbreak. Each story holds a window into another world and a mirror into ourselves. Love is a strange thing. The way it always shifts and changes. Leaving one guessing where they will go, and with whom they will be. Our relationships fuel us and they break us. Our human nature is so strong. In spite of the best scenarios, we find ourselves seeking, questioning and doubting. It is with love or the idea of love that we journey through place and time and seek to answer the questions hidden deep within.
