HIKING AND THE GREAT OUTDOORS: A DISCREET INTERNET PASSWORD BOOK FOR PEOPLE WHO LOVE NATURE WALKING (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you always forgetting your website logins, usernames and passwords? Do you have lots of sticky notes, old envelopes or labels around the house to remember them? Would you like to find a better way? Hiking and the Great Outdoors is a discreet password notebook that is disguised as a book about hiking or walking. Add all your website information in one handy place to organize your internet life. The design is a password journal with a difference. It was created so that opportunist thieves won't know what it is at a glance. This means that you can hide it in plain sight on your bookshelf at home with other books. What you can expect from this internet password organizer: Tabbed effect alphabetical pages Are you looking for a password book with tabs? This hiking password book has alphabetical tabs running down the right page. Disguised cover to make it not so obvious what it contains There are several password logbooks on the market but this one was created so it could be hidden in plain sight. It looks like a book about walking in nature from the outside but inside there are 3 boxes for your login information on each page. Section on creating secure passwords There are risks to however a password is stored. These can be from online thieves or opportunist burglars. At the front of the book is a brief section for creating a secure password that can be written down but can't be used by someone who has the book (unless you tell them the extra password information needed). Notes and other pages to add other useful information like software licenses There is a section...
