Rachael works for a suicide helpline. Fate connects them through a phone call. And so begins Samir s story of love, longing, errors, regret and a girl who changed his life. As his story reaches its conclusion, Rachael will know the true reason behind his suicidal tendencies. But this suicide helpline is not any ordinary service. There is more to the mysterious and yet so convincing voice of Rachael. As this new mystery begins to unfold, Samir is going to discover three things: What is The Helpline? Who is Rachael? What is Samir s own identity? Every year, several teenagers in India attempt suicide because of failing relationships, dwindling careers, parent pressure or the competitive world. This story is about one such teenager, his early problems and the hurdles to cope with them. This story is about finding hope in the struggle. This story is about fighting for what you believe in and discovering your true identity. This is not a story about falling in love. This is a story of rising from a failed love story.
