Beg Me is a wonderful mix of sexy and sweet. Hot loving and a wonderful second chance story line make for an amazing story. I devoured Beg Me in one sitting. Rem and Cara steam up the pages, but it's their love story that really kept me hooked. Open and honest, everyone can relate to these characters. Lexi Blake, NY Times and USA Today Bestselling Author Remington Steele comes to Vegas to be with his brothers and try to get over the one woman he's never been able to forget. As childhood sweethearts, she hadn't been able to handle his Dominant tendencies, choosing to run away without a good-bye. But when he's suddenly face to face with Cara Winters, all grown up and finally ready to be his, Remington needs to make his own choice. To leave the past behind forever, or forgive and be with the woman he's always loved? Cara wasn't ready to be the type of woman Remington needed in his life, so she disappeared and broke his heart. But she's changed, and is ready to embrace the woman she always craved to be. She begs him to take her for one night, and Remington finally agrees. Will they get a second chance at love, or are the scars from their past too deep to heal?.
