

## The Apocalypse of Desire: Essays on Mimesis

By Luca Luchesini

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book collects the essays I wrote using mimetic theory as interpretation tool in a number of fields ranging from the genesis of morals, the nature of power, the interpretation of modern history and West-Middle East relations. I therefore decided to regroup and re-edit them into a single edition to highlight the theory power in a more systematic way than it appears in the single essay and as a tribute to Rene Girard, whose books sounded to me no less than pure revelation. The core finding of Girard is that desire is what ultimately drives human action, and this desire is literally built around nothing, or better, it has no specific and real object that can fulfill it. That is the ontological precondition that allows people to change and imitate each other desires and this at once amazing and scaring feedback game is the root of both the best human achievements and the worst disasters. The first two essays of the collection explore the insights that mimetic theory provides in explaining the birth and development of human nature....
