

Medi-Cross II: 50 Advanced Medical Terminology Crossword Puzzles for Medical, Pre-Med, Nursing, Chiropractic, Emts, Pts and Other Health Care Professionals and Crossword Lovers

By John McLeod

Createspace, United States, 2013. Paperback. Book Condition: New. 244 x 184 mm. Language: English . Brand New Book ***** Print on Demand *****.Medi-Cross II is a continuation of Medi-Cross: 100 Medical Terminology Crossword Puzzles. It is another challenging book of crosswords focused in the areas of anatomy, physiology, biology and all sciences relating to the human body. The formation of medical terms, usually of Latin and Greek origin, enabled scientists to accurately describe the structures, functions and conditions of the body by combining word roots, prefixes and suffixes. Medi-Cross puzzle books were created to assist in the learning and understanding of how medical terms were developed and why they are used, in a fun, non-textbook format that can be taken anywhere for study or review. Linguistic and etymology enthusiasts will find these puzzles interesting and informative, as will students and practitioners of the health sciences.

Reviews

Great electronic book and useful one. Better than never, though i am quite late in start reading this one. You can expect to like the way the author compose this ebook.

-- **Matteo Johnson**

This is the very best publication i actually have read until now. It really is packed with knowledge and wisdom I am happy to let you know that this is the very best publication i actually have read in my very own existence and could be he greatest pdf for ever.
