Reviews

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Miss Sienna Fay Jr.)

GAY TRAVELS IN THE MUSLIM WORLD (PAPERBACK)

Taylor Francis Inc, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. Travel beyond the fear and paranoia of 9-11 to experience Muslim culture Gay Travels in the Muslim World journeys where other gay travel books fear to tread--Muslim countries. This thought-provoking book tells both Muslim and non-Muslim gay men s stories of traveling in the Middle East during these difficult political times. The true, very personal tales reveal how gay men celebrate their lives and meetings with local men, including a gay soldier s story of his tour of duty in Iraq. Insightful and at times sexy, this intelligent book goes beyond 9-11 and the present political and cultural divides to illustrate the real experiences of gay men in trouble zones--in an effort to seek peace for all. After the collapse of the Twin Towers, fears about terrorism and Muslim culture went hand in hand. Gay Travels in the Muslim World enters the current war zones to bring real and very personal stories of gay men who live and travel in these dangerous areas. This book challenges readers preconceptions and assumptions about both homosexuality and being Muslim, while showing the wide range of experiences--good and bad--about the regions as well as the differences in attitudes and beliefs. Excerpts from Gay Travels in the Muslim World: From I Want Your Eyes by David Stevens Men by themselves are rare. I pass a handsome Omani man sitting on the Corniche wall with a cigarette between his long brown fingers. He wears his colourful cuma cap at a jaunty angle and his mustard-coloured dishdasha has risen up to reveal tantalizingly hairy calves. I note the carefully made holes in his ears--not in his ear lobes but deep inside the cartilages--a pre-Islamic custom still practiced on some male babies to...
