

Hybrid War or Gibrinaya Voina? Getting Russia s Non-Linear Military Challenge Right (Paperback)

By Mark Galeotti

Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The West is at war. Not a war of the old sort, fought with the thunder of guns, but a new sort, fought with the rustle of money, the shrill mantras of propagandists, and the stealthy whispers of spies. Often described as hybrid war, a blend of the military and the political, it reflects both the way that war is changing in the modern world as well as Russia s attempt to divide, demoralize and distract the West as it asserts its claim to be a great power, with a sphere of influence and Ukraine and beyond. This study explores the two parallel forms of non-linear warfare and provides recommendations as to how the West can best respond.
