

## From Witches to Crack Moms: Women, Drug Law, and Policy (Paperback)

By Susan C. Boyd

Carolina Academic Pr, 2015. Paperback. Condition: New. Language: English . Brand New Book. In this second edition, Susan Boyd examines how the regulation of altered states of consciousness and women s bodies is not new. Like the witches of old, women suspected of using illegal drugs today are persecuted and punished. From Witches to Crack Moms offers a critique of drug law and policy and its impact on women in the United States and illuminates similarities and differences in Britain and Canada. Informed by a feminist sociological perspective, Boyd discusses how drug law and policy is racialized, class-biased, and gendered. She highlights how punitive drug laws inform and shape criminal justice, social service and medical policy and practice. Boyd also provides insight into how the war on drugs and the regulation of reproduction intersect, culminating in a volatile mix.

### Reviews

*Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It has been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which basically transformed me, modify the way in my opinion.*

-- Hank Runte

*Merely no words to spell out. I am quite late in start reading this one, but better than never. I am happy to explain how this is actually the very best publication we have go through within my personal daily life and can be the best ebook for at any time.*

-- Althea Christiansen
