Mac Annoyances (Paperback)

By John Rizzo

O'Reilly Media, Inc., USA, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Anyone who plugs in a Mac whether it's the proud owner of the very latest version or someone still tapping away on yesterday's model usually finds these machines to be an immensely popular and beneficial tool. Unfortunately, they can also be a royal pain in the neck. Any way you slice it, Macs still have a tendency to induce minor headaches at the most inopportune times. Mac Annoyances feels your pain. Developed precisely for the individual who can't live without a Mac yet can't deal with its fickle temperament Mac Annoyances provides solutions to scores of common problems faced by Mac owners. Contained within its pages are hidden (plus well-documented) tips, tricks, and workarounds designed to drastically improve specific problem-solving capabilities. The result: a significant enhancement of the overall user experience and a tremendous savings of time no matter which version you own. What does Mac Annoyances cover? What doesn't it cover is the more appropriate question. Hassles associated with Mac OS X, iLife, Mac hardware, and Microsoft Office (the mother of all annoyances) are all addressed in...

Reviews

A whole new eBook with a brand new point of view. It is really simplistic but surprises in the fifty percent of the publication. I am just effortlessly can get a delight of looking at a written ebook.

-- **Mariano Gleichner**

Simply no words to spell out. It can be rally fascinating through studying period of time. You will not really feel monotony at at any moment of your own time (that's what catalogues are for concerning if you ask me).
