Life Coach, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. These are wise sayings for people to read each day for motivation. It is small enough to keep in your pocket and in a purse. It is very easy reading for anyone to understand and comprehend. It is a book for your enjoyment and pleasure. It s also a book to generate conversations about various topics. All of the aphorisms are my own original thoughts except for a few that I accredit to my Muse. My life experiences, education, teachers, music, and professors have influenced my thinking. After reading many, many books by many, many authors I was encouraged to write a book of my own. I believe that the readers of my book will be pleased and blessed to have looked into my mind and my style of conveying my thoughts. One will notice that various disciplines, such as, theological, sociological, psychological, moral, ethical, and medical, have interactive influences. There is something for all ethnicities, age groups, genders, religions, nationalities, and creeds to glean or extract from my book. I further encourage readers to share my writings with siblings, friends, and acquaintances as eye-openers to enhance their lives and ways of thinking. I hope that what I have presented within the pages of my book will bring peace, love, joy, and happiness into the reader s life.
