SURFACTANTS: CHEMISTRY AND APPLICATIONS

Surfactants: Chemistry and Applications

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | In an attempt to provide an overview of compounds that lower the surface tension between two liquids or between a liquid and a solid, the long essay focus on the chemistry of surfactants and their applications in detergents, wetting agents, emulsifiers, foaming agents, and dispersants. The classification of surfactants base on their uses was made considering the most accepted and scientifically sound classification based on their dissociation in water. Polymeric surfactants were...

Reviews

It is really an awesome ebook which i have ever go through. It is actually writter in straightforward terms and not confusing. I am very easily could get a satisfaction of reading a written ebook.

-- **Clotilde Wiegand**

If you need to adding benefit, a must buy book. It normally fails to cost a lot of. Its been designed in an extremely easy way in fact it is just right after i finished reading through this ebook by which basically transformed me, change the way i believe.

-- **Vernon Ritchie**
