

## Do You Really Want to Meet Triceratops? (Paperback)

---

By Annette Bay Pimentel

Amicus Ink, 2017. Paperback. Condition: New. Daniele Fabbri (illustrator). Language: English . Brand New Book. New titles in our popular animal series introduce young readers to five dinosaur species plus a family of flying prehistoric reptiles (the Pterosaurs). In each book, a child explorer travels back in time to meet these incredible animals and shares his or her experiences, which are based on fossil finds. Delightful illustrations and carefully crafted text help the stories come alive, making these books both educational and entertaining. A young child adventures back in time to 66 million years ago to meet a Triceratops, learning about what this dinosaur ate, its size, and how it used its horns. This illustrated narrative nonfiction title includes a map of fossil findings, glossary, and further resources.
