Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It has been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which it basically transformed me, modified the way in my opinion.

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. THIS MANUAL IS ABOUT YOUR JOURNEY! A companion volume to The Wild Romancer, this manual will take you deeper in your own intimacy with Jesus. Jesus is calling us out of our mundane lives into a living Romance, the Love Story to end all love stories. He is gently wooing us, singing love songs to us, and whispering our name. Whether you are a man or a woman, you are leaving home on a journey into intimacy with Jesus. That journey will take you into spiritual realms through Holy Spirit, and into places beyond your imagination. But there is a catch-you have to drop your preconceived ideas, open your heart, and be ready to fly out on an adventure of a lifetime. The wonderful thing is that no matter what your physical life looks like, you can take this journey and it never has to end. The adventure of this journey goes on and on, flowing in and around your physical life. Your destination is to know Jesus, but oh, what adventures you will experience on your way as you fall deeper in love! This manual is not about thinking, it is about doing. Thinking and using our head is much easier than getting actively and emotionally involved. While a study guide causes you to think, this Journey Guide will cause you to act. It is much easier to read about a relationship, discuss it, analyze it, think about it, and write about it, but you won't get to know Jesus doing those things. This manual will walk you step-by-step into a living, breathing relationship with Jesus, your Bridegroom Lover. There is a time for Bible studies, prayer,...
