Tate Publishing Company, United States, 2015. Paperback. Book Condition: New. 226 x 149 mm. Language: English Brand New Book. Chukcha the Mountain Monkey, a true story, reflects an adventurous bond of a very young, wild monkey with people found in the mountainous area of beautiful Ethiopia in Africa. Since author s childhood, a love for pets was a part of her day to day life of her multihome pets background with their responsibilities, care, and admiration. The only pet seemed to be missing from her array of pet collection turned out to be a monkey that she happened to obtain only in a tropical climate while she moved and lived there with her family of three for quite some time. Now stories to share with children, pet lovers, and anyone else in this beautiful world. Some parts of these stories have been passed to groups of little people, and as a result they showed vivid interest in when they are going to see the printed book with its illustrations. Charlotte, 4, asked and the rest of the kids too Would you bring to us the book? and then added, Is Chukcha still alive, the Red Hen and Ellusha, the tortoise? I wish Chukcha and all the pets in the world to live forever.
