

The Long-Shining Waters (Milkweed National Fiction Prize)

Filesize: 3.89 MB

Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

(Melody Jakubowski)

Milkweed Editions, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: New in paperback-- 2011 Milkweed Fiction Prize Winner and Indie Heartland Bestseller-- The Long-Shining Waters is the story of three women, separated by years and circumstance but connected across time by a shared geography: the inland sea of Lake Superior. Rich with historical detail, each character comes vividly to life in this luminous debut novel. Grey Rabbit, an Ojibwe woman living by the lake in 1622, is a mother and wife whose dream-life has taken on fearful dimensions. As she struggles to understand "what she is shown at night," her psyche and her world edge toward irreversible change. In 1902, Berit and Gunnar, a Norwegian fishing couple, also live on the lake. Berit is unable to conceive, and the lake anchors her isolated life and tests the limits of her endurance and spirit. And in 2000, when Nora, a seasoned bar owner, loses her job and is faced with an open-ended future, she is drawn reluctantly into a road trip around the great lake. Now with expanded content--including reader's group guides, a Q&A, an essay from the author about her love affair with Lake Superior, and more--this is the perfect summertime read for anyone traveling to the Great Lakes, in body or spirit.
