Cetacean Chronicles: A Future Odyssey of Mankind (Paperback)

By Alexander Horvat

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What do we really know about dolphins? How about our own history? Or what is really going on behind the scenes as we walk through our lives. Exploring the mysteries found beneath the veils of secrecy, Cetacean Chronicles: A Future Odyssey of Mankind takes you on an epic, thrilling sci-fi adventure that will open your mind to the bigger picture about our human story and our place in the universe. In 2015 Adam Schecter and his team start cracking the complex communication system of the cetacean. He believes his Learning Dolphin Speak Project (LDSP) in Hawaii will revolutionize interspecies communication with dolphins and perhaps intelligent life from elsewhere. What else might they learn? Their amazing discovery turns the world upside down, as Adam, his family and his team are drawn into the dangerous sphere of the secret international organization Phantom 12 along with extraterrestrial agendas that have spanned all of human history. Crewmembers of a US Trident submarine join Schecter after a 2016 close encounter and add to the struggle with enhanced abilities acquired after their exposure. Adam s journey is profoundly...
