THREE DAYS IN APRIL

Harper Voyager Impulse, United States, 2015. Paperback. Book Condition: New. 168 x 109 mm. Language: English . Brand New Book. Anders Jensen is having a bad month. His roommate is a data thief, his girlfriend picks fights in bars, and his best friend is a cyborg and a lousy tipper. When everything is spiraling out of control, though, maybe those are exactly the kind of friends you need. In a world divided between the genetically engineered elite and the unmodified masses, Anders is an anomaly: engineered, but still broke and living next to a crack house. All he wants is to land a tenure-track faculty position, and maybe meet someone who's not technically a criminal but when a nightmare plague rips through Hagerstown, Anders finds himself dodging kinetic energy weapons and government assassins as Baltimore slips into chaos. His friends aren't as helpless as they seem, though, and his girlfriend's street-magician brother-in-law might be a pretentious hipster or might hold the secret to saving them all. Frenetic and audacious, *Three Days in April* is a speculative thriller that raises an important question: once humanity goes down the rabbit hole, can it ever find its way back?
