One World, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Victoria s marriage is on the rocks, and she copes by daydreaming about fantasy men. But can these fantasies help fix her real life? At age twenty-five, Victoria Chandler has a husband with a good job, a five-year-old daughter, Reese, and a house in the suburbs. She should be happy with her life. But she s not. She suspects that her husband, Gerald, is having an affair, and she finds her loveless marriage a big disappointment. But Victoria stays married for the sake of her daughter. And to get by, she starts daydreaming about two fantasy men: James, a very handsome man she meets at a club, and Michael, a rock star. As she ponders her attraction to these men, Victoria slowly realizes that her marriage to Gerald is doomed--they re just not meant to be together. Inspired by the freedom that she exhibits in her fantasies, Victoria develops a plan to escape her marriage and create the reality that she s always wanted. From the Trade Paperback edition.
