Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Thirteen-year-old Ryan Ghoul is just your typical grave ghoul-except for the fact that he recently saved his town from a soured lot of vampires and their brainwashing soda. These days, however, he's just waiting for the release of the latest game console with his best friend Kyle, a spunky flannel-wearing werewolf. Shortly after Ryan and Kyle arrive at the mayor's castle to play on the Typhoonazie Games-Sphere 3000 with their monster friends, a strange explosion interrupts their gaming. What appears to be a harmless mistake-a side effect from a spell by the Spooktacular Sisters-soon turns into a string of magical disasters. Arrested for their misuse of magic, the sisters are put on trial before a mysterious new judge whose methods spark Ryan's suspicions. Who is trying to ruin the sisters and why? Can Ryan and his friends get to the bottom of this latest plot to destroy Gravesville before it's too late? Explore the exciting world of the undead in this spooky fun adventure that makes you wish you were a monster, too.
