*This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Historical Sketch of the American Sunday-School Union and of Its Contributions to Popular Education in the United States, 1865 To show the vast expansion of a scheme so humble in its origin, it may suffice to say that the American Sunday-School Union now publishes seventeen Question Books on selected lessons, and a score or two of aids in the use of them; and under other imprints, probably twice that number of denominational or doctrinal Question Books, on substantially the same plan. The London Sunday-School Union issues a monthly periodical of 24 pages, 12mo, devoted exclusively to explanatory, expository, and practical notes on the lessons for the month. They are prepared with great care, and lay open the subject with a plainness and fullness which (we might fear) leaves nothing for the teacher to do. Similar aid is given by the Church of England and the Scottish Unions to those who use the questions published under their auspices, respectively.
