## Principles of Economics in Context 2014 (Hardback)

By Neva Goodwin, Jonathan M. Harris, Julie A. Nelson

Taylor Francis Inc, United States, 2014. Hardback. Book Condition: New. 260 x 212 mm. Language: English . Brand New Book. Principles of Economics in Context lays out the principles of micro- and macroeconomics in a manner that is thorough, up to date, and relevant to students, attuned to the economic realities of the world around them. It offers engaging treatment of important current topics such as new thinking in behavioral economics, financial instability and market bubbles, debt and deficits, and policy responses to the problems of unemployment, inequality, and environmental sustainability. This new, affordable edition combines the just-released new editions of Microeconomics in Context and Macroeconomics in Context to provide an integrated full-year text covering all aspects of both micro and macro analysis and application, with many up-to-date examples and extensive supporting web resources for instructors and students. Key features include: An eye-opening statistical portrait of the United States; \* Clear explanation of basic concepts and analytical tools, with advanced models presented in optional chapter appendices; \* Presentation of policy issues in historical, institutional, social, political, and ethical context--an approach that fosters critical evaluation of the standard microeconomic models, such as welfare analysis, labor markets, and market competition; \* Issues...
