

## Radio for the Beginner (Classic Reprint) (Paperback)

By Alfred Fowler

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Radio for the Beginner The usefulness of radio to the average person has not been realized; its present popularity is merely a start in the right direction. It is easily conceivable that the next decade will see every home with a radio telephone; not replacing the regular telephone, but supplementing it by permitting the owner to hear broadcast concerts, news, special bulletins and such information, even from other cities. It will be a particular boon to persons living in the country or in small towns. The radio telephone will do as much towards placing community life in close communication as telegraphy, both wire and radio, has done to place the nations, indeed the hemispheres of the world in close touch with each other. It is just another instance of harnessing electricity to do infinite service for mankind. The subject is a large one to treat in such a small book, but its main object is to lay a foundation on which the beginner in radio can build a more complete knowledge of the subject. I have attempted to present...
