Lois Winston, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hope Morgan was always the good girl, doing what her conservative parents expected: she gave up her dream of going to college, became a secretary right out of high school, and married the boy next door. When Hope is suddenly widowed, she finds the courage to pursue her own dreams. Twelve years later, after working full-time and going to school at night, she obtains her degree and is offered a position at a prestigious architectural firm. That's when her long-exiled libido decides to resurface, and Hope finds herself falling head-over-heels for Ben Schaffer, her married boss. What Hope doesn't realize is that Ben's marriage is less than ideal. Within days of Hope starting her new job, Ben's wife walks out on him and their three-year-old triplets-the same day the nanny lands in the hospital. When Ben can't find a last-minute replacement, Hope agrees to step in as a temporary nanny-not the best decision she's ever made, given her raging hormones. Ben is fighting a battle with his own hormones, but an office romance is the last thing he needs or wants. However, he and Hope are no match for three very determined three-year-olds on a mission to find a happy ending.
