Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Today s golfing instruction bombards you with an endless list of swing mechanics to mentally control during a swing of less than two seconds. Experience the Feel of Simple Golf builds on the integrative methods of Percy Boomer, named the #1 all-time swing guru by Sports Illustrated, and teaches you his paradigm-shifting and simpler method of using the same lower body-powered swing movement to drive, chip, and putt. Replacing the hundreds of standalone swing mechanics with five integrated fundamentals, this modern day approach to the old-school style swing helps beginner, intermediate, advanced golfers and golf instructors pinpoint the keys to better golf. Presented in three parts, Part I shows how to learn the golf swing through feel in one four-hour lesson. Part II digs into the five fundamentals. Part III is a reference manual covering the short game, putting, and a seven-step self-guided troubleshooting process to fix a faulty swing. Read only those chapters that fit your skill level and needs. An incredible follow-up to Boomer s 1946 classic, On Learning Golf, this innovative instructional by John Ward and Paul Woods revives the classic swing methods of great golfers like Nicklaus and Hogan.
