A trio of squirrel friends set out on a quest for adventure. It started one spring day with a group of friends setting off to find adventure and a better life. For Flash, Dandelion and Oaktail little did they know that, that one day would be the beginning of a journey that would be remembered for a lifetime. They would learn teamwork, friendship, trust, courage and above all LOVE. They would trek through forest and across plains. They would survive ambushes and fight bandits. They would learn to let go. Experience would teach them how to become the best they possibly could be and that nothing would be impossible for them as long as they have each other.
