Very useful to any or all group of men and women. It is written in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.

Helen, the Countess Godwin, knows there is nothing more unbearably tedious than a virtuous woman. After all, she s been one for ten long years while her scoundrel of a husband lives with strumpets and causes scandal after scandal. So she decides it s time for a change: she styles her hair in the newest, most daring mode, puts on a shockingly transparent gown and goes to a ball like Cinderella, hoping to find a Prince Charming to sweep her off her feet .and into his bed. But instead of a prince, she finds only her own volatile, infuriatingly handsome husband, Rees, the Earl Godwin. They d eloped to Gretna Green in a fiery passion, but passions can sometimes burn too hot to last. However, Rees now makes her a brazen offer, and Helene decides to become his wife again .but not in name only. No, this time she decides to be very, very wicked indeed.
