

## Superman, Hairspray and the Greatest Goat on Earth (Paperback)

By Mark E Johnson

iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Superman, Hairspray and the Greatest Goat on Earth is a collection of essays and stories about simple things: the trauma of shopping for shoes with a woman, of being surrounded by literally thousands of vengeful, man-eating bears in the Great Smoky Mountains, of a life-long obsession with empty hairspray cans, and of a little girl's relentless search for a live unicorn. This is a Saturday-in-the-rain book. Maybe it will jog a few memories of your own, take away a little stress, and prompt you to pay the author what he considers the ultimate compliment: You're really not well, are you?.
