Caught in the Crossfire is the true story about a woman who dedicated her life to the country she loved more than herself-the United States of America. Having devoted 30 years in the military and becoming a highly decorated officer in the U.S. Army, author Levonda Joey Selph s life came crashing down one morning when a group of men in suits came to her home and began a frightening interrogation marathon with accusations of things about which she had no idea. Find out who Levonda Joey Selph truly is-a brave, heroic woman who was abandoned by the very country she risked her life for. She was tossed under...
