

Everybody I Can Think of Ever (Paperback)

By Francis Booth

Lulu.com, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How do you get from Igor Stravinsky to Elvis Presley via Benny Goodman and the King of Thailand? From Henry Miller to Patti Smith via Allen Ginsberg and Philip Glass? Ezra Pound to Coco Chanel via Shakespeare and Company? James Joyce s daughter to Peggy Guggenheim via Samuel Beckett? How did the most beautiful woman in the world come to design a radio-controlled missile with the bad boy of music? How did the inventor of the bra come to handle DH Lawrence s Escaped Cock? Did Jackson Pollock learn his drip technique from the man who tried to assassinate Trotsky? Did Stalin turn the inventor of electronic music into a Soviet spy? This book tells the stories - sometimes unlikely but always fascinating - of first meetings between members of the twentieth century avant-garde, who were all connected to each other in a complex web of relationships; stories of how the artistic baton was passed from the past to the future.

Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Lois Cormier II

I actually started out reading this book. It can be packed with wisdom and knowledge I discovered this ebook from my dad and i suggested this book to understand.

-- Prof. Barney Harris
