How to Think Bigger: Aim Higher, Get More Motivated, and Accomplish Big Things (Paperback)

By Martin Meadows

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How to Get More Motivated, Set Bigger Goals, and Achieve More by Thinking Bigger Have you ever wondered what separates people who think bigger from people who set their bar low? What makes one person accept low standards and another person to constantly raise them? Why does one person strive to build an international organization affecting the lives of millions of people, while another person is content working her entire life as a clerk? (Not that there s anything wrong with being a clerk!) Why is one person challenging herself to run marathons, train her body and get fitter, while another is happy living a sedentary, unhealthy lifestyle? What drives a person who s optimizing every single aspect of her life and what causes another person to maintain the status quo? You can say, Well, the answer is simple enough - one person is ambitious, while the other one is not. But what exactly causes it? And most importantly - how do you become more ambitious and think bigger? Is it something you re born with and can t change, or is it...

Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
