Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt from Branch of Research: Monthly Report of Dendrology, Forest Experiment Stations, Forest Products, Forest Economics, Grazing Research; December, 1926 Haig came east the latter part of December to work on the western white pine yield study. He will be assisted in this by the Computing force together with Bruce and Reineke, and, as the Appalachian Station has also detailed Buell to Washington for a short time it is expected that he also will assist Haig in this work. The new sorter for the tabulating work arrived the latter part of December, but it was found that the machine had been subjected to such roug handling that the instrument was a wreck. After about a week s delay the machine was replaced and is in operation. [in order has been placed for a new tabulator to augment the existing one and so as to increase our output of work.
