ZONDERVAN, United States, 1996. Paperback. Condition: New. Language: English . Brand New Book. Think of it as a lean, mean Bible doctrine course--without the lecture. But with lots of options, videos, music, and drama. And small group work. And reproducible, interactive worksheets with eye-catching designs and soul-searching content. (Like, what else do you expect from St. Paul when he sits down to write the meatiest book of doctrine in the Bible?) in the 12 clear, complete sessions of Creative Bible Lessons in Romans. Author Chap Clark guides kids (and you) through the Big Ideas in this first-century letter to Christians trying their darndest to live godly lives in an ungodly culture. (Sound familiar?) From the not-so-savory picture the apostle paints of humankind in the opening chapters. . .through his celebration of grace and acceptance in midbook. . .to his tightly reasoned argument that love should fuel a Christian s decisions and relationships--here are topics made to order for teenagers living at the turn of the 21st century. Teach your way through Romans with these read-to-go sessions. Or scavenge whatever you want of the creative scripts, handouts, and other options to customize lessons of your own. Any way you use it, Creative Bible Lessons in Romans is your no-doze ticket to solid Bible doctrine. 12 lessons.
