Barron s Educational Series, United States, 2003. Hardback. Book Condition: New. For the Us.. 130 x 117 mm. Language: English . Brand New Book. Julie is a happy little girl who lives in Paris, but she wishes she could walk in a country garden. Julie is pleased when her mother decides to take her to visit the most wonderful garden in the world, owned by a great friend of the family. They arrive at their destination, and for this little girl it is like walking in a dreamy world where twisting plants grow as tall as trees. When Julie s dog runs away, she asks the gardener to help find her pet, and soon she and the gardener are friends. But this amiable, bearded old man is a very unusual gardener, for not only does he cultivate his many plants, he also paints beautiful pictures of them. Julie has made a friend of the great impressionist painter, Claude Monet. Based on a true story about the daughter of another fine artist, Berthe Morisot, this charmingly illustrated picture book includes reproductions by author-illustrator Laurance Anholt of a famous waterlilies painting, which Monet completed in his garden at Giverny, a few miles from Paris.
