For the past five years, Ewan Redstone has bullied and neglected his youngest son, Tommy. There seems to be no way out for Tommy, or for Cale, Tommy s older brother. Then one day Cale finds his father trapped under a pile of wood. He will die under there if Cale doesn t get help. But never mind help. In a moment of dark clarity, Cale ends his father s life, and at last he and Tommy are free. Then Cale makes a shocking discovery. He finds his mother s dead body buried in an old stable at the back of their house. It seems she didn t leave home after all, that Cale s father must have killed her. Now Cale must keep this secret from Tommy. But with their father dead, secrets become hard to keep from a boy who wants his mother back.and who will do anything to find her. And now Cale understands why the girl in the orange dress removed the I and the E from the stable door, so that instead of the letters spelling Sadie s Place, they spell Sad s Place. Yes, Cale understands, all right. Sad s Place. It all begins to make a perfect, terrible sense.
