Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Trowel, Chisel Brush: A Concise Manual of Architecture, Sculpture, and Painting, Ancient and Modern by Henry Grey is a compilation of his notes from several visits over the course of many years to principal cathedrals and churches and other notable buildings, at home and abroad, and in making acquaintance with the art treasures in English and foreign museums and picture galleries. Grey's book is styled as a guidebook for individuals interested in historic and artistic tourist sites as well as piece of artwork found in public museums. His passion is evident in every line, making this text an essential reader's guide to all things fine art. This publication covers a wide range of fine art topics that Grey felt warranted additional exploration, including architecture, sculptures, and paintings. A lifelong learner, Grey believed that readers would share his excitement for fine arts and jump at the chance to learn and explore beside him. He dedicated his book to readers interested in the study of the fine arts and attempts to make it a summary of the works of the great masters who from age to age, have been gifted with the wondrous power of imparting to inanimate matter impressions and ideas which not only charm the eyes and fascinate the sense, but in many instances appeal far more eloquently than language to the imagination and intellect. Grey's deep passion for the fine arts flows through each page of Trowel, Chisel Brush: A Concise Manual of Architecture, Sculpture, and Painting, Ancient and Modern. This is an interesting book for the reader who wants to know more about famous artwork and structures, the scholar interested in the history of fine arts,...
