

President of the Other Americas; Robert Kennedy and the Politics of Poverty (Paperback)

Filesize: 6.81 MB

Reviews

Merely no words and phrases to explain. I was able to comprehend almost everything out of this created e publication. I am quickly will get a satisfaction of studying a created ebook.

(Cleta Doyle)

PRESIDENT OF THE OTHER AMERICAS: ROBERT KENNEDY AND THE POLITICS OF POVERTY (PAPERBACK)

University of Massachusetts Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Robert Kennedy s abbreviated run for the presidency in 1968 has assumed almost mythical proportions in American memory. His campaign has been romanticised because of its tragic end, but also because of the foreign and domestic crises that surrounded it. Yet while most media coverage initially focused on Kennedy s opposition to the Vietnam War as the catalyst of his candidacy, another issue commanded just as much of his attention. That issue was poverty. Stumping across the country, he repeated the same antipoverty themes before college students in Kansas and Indiana, loggers and women factory workers in Oregon, farmers in Nebraska, and business groups in New York. Although his calls to action sometimes met with apathy, he refused to modify his message. If they don t care, he told one aide, the hell with them. As Edward R. Schmitt demonstrates, Kennedy s concern with the problem of poverty was not new. Although critics at the time accused him of opportunistically veering left in order to outflank an unpopular president, a closer look at the historical record reveals a steady evolution rather than a dramatic shift in his politics.
